Historical/Biographical Notes

Quota clubs have existed since Quota International was founded in 1919 in Buffalo, NY. In the midst of an era of female suppression, Wanda Fret Joiner realized that women had a tremendous

contribution to make to their communities and invited like-minded women to join the Quota Club.

Worcester's Quota Club began in 1925. Quota Clubs are involved in a wide range of service projects with special emphasis in the areas of hearing a speech.
