Historical/Biographical Notes

The Census of Stained Glass Windows in America is a not-for-profit organization founded in 1979 to establish a record, both historical and pictorial, of architectural stained glass in the United States from the time of its first appearance. The goal of the census is to collect and disseminate artistic, historical, and technical information that will serve as a basis for study of this form of architectural embellishment.

Scope and Content

Collection contains detailed descriptions and color slides of stained glass windows in the churches of Worcester.
